

PS&H Attorneys Michael Gamboli and Joshua Xavier Discuss The New Pay Equity Law

Partridge Snow & Hahn attorneys [Michael Gamboli](#) and Joshua Xavier will lead a virtual roundtable discussion hosted by the Northern Rhode Island Chamber of Commerce titled, *The New Pay Equity Law: What Employers and HR Professionals Need to Know!* on Thursday, October 14, 2021 at 12pm.

After years of sponsoring different versions of the law, earlier this month, the Governor signed into law a bill that amends the Wage Discrimination Based on Sex Act and is geared towards ensuring pay equity.

With the law's passage, Rhode Island joins a number of other states that already have some version of a pay equity law on the books.

Michael and Josh will discuss what Rhode Island employers need to know and do before the law's effective date on January 1, 2023.
